

Job Title:	Speech Language Pathologist / Speech Therapist / SLP
Category:	Allied Health: Speech Pathologist and Assistant
Position Is For:	Part Time, Temp, or Per Diem Employment
Position Posted By:	A Facility, Registry, or Staffing Company
Facility Description:	Pediatric sub-acute and outpatient setting
Location:	Loma Linda, California 92354 Note: Click the location link above to see a map of this location. The best available map will be displayed depending on if a real City name and Zip Code are posted.
Position Description:	We are currently looking for a speech language pathologist to assist us per diem in a pediatric sub-acute unit and/or outpatient classroom style setting. We are very flexible and are willing to work with your current schedule. There will also be an acute unit opening on the same campus in the near future.
Schedule:	Flexible
Experience Required:	Experience working with medically fragile children and/or early intervention experience would be very beneficial.
Compensation:	Negotiable
Benefits:	Fully paid major medical insurance for employees, along with dental and life coverage. Generous paid time off and paid holidays. Continuing education reimbursement program. 401k with employer matching.
